MESSAGE FROM DATUK PAUL CHUA

Since the establishment of WBPF and ABBF, I have been contemplating seriously about our athletes' welfare as to how to provide them with incentives.

At the 53rd Asian Congress held in Batam, Indonesia, I mooted the idea of hosting a competition with some prize money for our athletes and volunteered to contribute some funds to host this event in 2020. Some of my colleagues in the Asian federation were very generous and kind, they volunteered to support the prize money competition for the WBPF Champion of Champions which raised a sum of around US\$75,000.00 in total.

After winning continental and world titles, there were no more worlds to conquer or achieve by many of our champion athletes who compete under the umbrella of WBPF sanctioned competitions, thus to keep them in the sport, we thought that with some prize money the sport will grow and give the athletes to earn some money. This is our appreciation to all champions in Bodybuilding, Athletic Physique, Sports Physique and Women's Model Physique.

There were many organizations selling qualifiers pro cards to engage athletes to compete and this worries me because I realize that there is no room for many of the athletes to turn pro and win major competitions like Mr Olympia as it is beyond their reach. As President of WBPF, I strongly opposed this cheating scam. Thus the WBPF and ABBF will not issue pro cards and deceive the athletes, it has no real meaning.

Indian Body Builders Federation the powerhouse in bodybuilding bid to host the 1st WBPF CHAMPION OF CHAMPIONS in Chennai, India from 2nd to 3rd May 2020 in co-operation with their affiliated unit the Tamil Nadu Amateur Body Building Association.

Our sincere thanks to the IBBF and the Organisers in Chennai. We hope that this will not be a one-time competition and it will continue with a larger purse of prize money year by year.

I wish all the competitors great success.

Datuk Paul Chua

President

Asian Bodybuilding & Physique Sports Federation (ABBF)

MESSAGE FROM MR CHETAN M. PATHARE

SECRETARY-GENERAL OF WBPF & ORGANISER OF THE 1ST WBPF CHAMPION OF CHAMPIONS

We in the WBPF, ABBF including IBBF are very fortunate to have a leader who is caring and identifying goals with mission and a great vision, who works day and night to get results for our beloved sport of Bodybuilding and Physique sports...he is none other than Datuk Paul Chua who has been working for our sport over 40 years.

His proposal to introduce the WBPF Champion of Champions with prize money was received with thunderous applaud at the 53rd Asian Congress held in Batam, Indonesia.

I realized that the prize money competition is very important in our ongoing effort to make bodybuilding and physique sports "Number One" by organising this nature to enhance the interest of our sport and encourages many of our past and present champions to compete on the same platform and earn some cash incentives.

On behalf of the Indian Body Builders Federation, I bid to take up the challenge to host this event after consulting several of my key officials in the IBBF. Their reaction was instant and one hundred per cent supportive to bring this grand inaugural competition to India. Thus history is in the making for India to be the first country to organise this prize money competition.

I wish to thank all members of the ABBF who have contributed money for this Champion of Champions and all other members of WBPF for their blessings and encouragement to organize this competition in India.

Last but not least many thanks to Mr. M Aarsu, General Secretary (TBBA) and the entire team of the Tamil Nadu Amateur Body Building Association for their sporting gesture in coming forward to organize the WBPF CHAMPION OF CHAMPIONS at KAMRAJ MEMORIAL HALL, ANNA SALAI, CHENNAI, TAMIL NADU 600 006.INDIA stadium from 2 to 3 May 2020.

We warmly welcome all champion bodybuilders and physique athletes to Chennai, India and wish them best of luck.
