REPORT

7th International Austrian Bodybuilding and Physique Sports Championships and Gym Trooper Classic 14th May, 2016, Lugner City/Vienna/Austria

Female and male athletes and models from 11 different countries (Austria, Belgium, France, Hungary, Italy, Jordan, Kuwait, Netherlands, Saudi Arabia, Serbia, Slovakia) participated in the 7th International Austrian Championships on 14th May 2016 at Lugner City Mall/Vienna. The event was covered by WBPF-TV. The Austrian Federation left no stone unturned to guarantee the many international guests, athletes and audience that this event turns out successful. Like in the previous championships we had thousands of spectators watching the show. We welcomed our new member WBPF France represented by Cyril and Nathalie Bio, who also participated as judges. We had representatives from the Jordan embassy and Royal Jordanian Airlines present, also many of our WBPF officials participated in our championships like Ildiko Buranits, Peter Sebestyen, Slavko Zec, Miliana Stanojkovic, Rudi Getteman and Ehab Alkabariti. It was really great to have our friends from Saudi Arabia and Kuwait joining us. The overall title in the men's bodybuilding category went to Saudi Arabian athlete Abdulaziz Al Faraj, who received the prize money of EUR 1.000,00.
